Smart MISO!

MUSO Since 1953

From Japan

Healthy – Umami – Easy – Vegan - Soup – Seasoning - Salad Dressing – Spread – Delicious!

MISO paste is a traditional Japanese food. For more than 1,300 years, Miso has been consumed as one of the most important culinary seasonings in Japan. Miso is produced by steamed soybeans with Koji-cultured grains such as rice, brown rice or soybeans, and sea salt.

Our "From Japan" standing Smart Misos come from family owned miso producers (in Japan) using a traditional production method: selecting choice soybeans, rice, brown rice, and sea salt. Rich and flavorful, gourmet, our vegan soy miso is now available in an easy- to-use package. Our paste is EXCELLENT for making authentic Miso SOUP – GREAT as a salad dressing or MARINADE for your favorite food.
