Sprinkling

Furikake (Fooree-ka-keh) is a ready-to-use table condiment. From Japan™, Organic Furikake Flakes use only plant-based ingredients and are free of additives and artificial flavors.

Just sprinkle it on grilled meat or fish, a bowl of rice, or anything else where you want to deliver an extra pop of flavor and satisfying crunch. It can be a topping for noodle dishes and even a salad seasoning. It is a condiment in its own right.
