さ
び

Our authentic Real WASABI is carefully nurtured in freshwater for 2-3 years. It is then harvested and delicately processed because of its perishable nature and for its natural genuine flavor.

- Real Wasabi Grown in Japan
- No Horseradish Added
- No Artificial Colors and Flavors Added
- Non-GMO
- Vegan

MUSO's Wasabi is not made with horseradish or dried powder. It is made with genuine Real WASABI from the major production area of authentic wasabi (*Wasabi Japonica*) in Japan. Its carefully selected all natural ingredients give the real experience of the sharp & pungent flavor of real wasabi. This zesty condiment for sushi, seafood & meat can be added to sauces, dressings and dips to get that unique, pleasant eye-watering effect.
